## FALL FOLIAGE

Welcome to a great fall foliage vacation in New England! New England is beautiful year-round, but the best tour starting dates for viewing fall foliage are usually mid to late September through mid to late October. Peak fall colors vary yearly and are affected by wind, temperature, and moisture. Our broad circular tour route, covering all six New England states – Massachusetts, Rhode Island, Vermont, Connecticut, New Hampshire and Maine – maximizes your foliage viewing opportunities. Your tour features complete sightseeing, professional Tour Directors and great itineraries, operated by one of the country's most respected guided tour companies.

### DAY 1 - BOSTON, MASSACHUSETTS

Visit all six New England states! Your vacation begins in Boston, the "Cradle of Liberty." Transfer from Boston's Logan Airport by hotel courtesy shuttle to your hotel. Rooms are available for check in after 3:00 p.m. Join us for an 8:00 p.m. welcome briefing.
