- Enrollment Updates
  - The Niswonger Online spring 2023 enrollments are 700 and represents 32 schools. This is average for Spring enrollment.
  - We have 37 teachers that are teaching 49 course sections.
  - We will be teaching 38 of our 51 available courses this term.
  - We have 275 enrollments in year-long classes for (2022-2023).
  - The program is seeing 8<sup>th</sup> grade participation due to STEM.LD efforts and interest in personal finance.
- Website Update
  - The Niswonger Online website has been updated to correspond with the Niswonger AP Access for ALL website.
- Live Canvas Training Sessions for Niswonger Online/AP Access for ALL teachers
  - There are several training opportunities per month for teachers during the Spring 2023 semester. Training is provided by national Instructure/Canvas trainers and specialists. The training sessions are not required, but we provide them as tools to improve the teachers Canvas skills for Niswonger Online/AP Access for ALL and their home schools.
- Course Development: Early Childhood Education Careers Pathway
  - We are beginning to coordinate with Bright Start NETN/STRONG ACC to develop Early Childhood Education Career courses for Niswonger Online.
