## **Comprehensive Educational Resources Program Updates**

- A late November website update included over 1,200 new materials. The curriculum Teams will complete their materials preparations for this school year in late February.
- The Leadership Academy has begun. There are 4 districts and 21 members in this first year. The goal is to cultivate an interest in school leadership and provide perspectives from current school and district leaders.
- The CER social media campaign is underway on Facebook and Instagram, with a good response.
