We are off to a fantastic start in Nashville, TN! Principal agent Ashlee Wright participated in the National Association of Women Business Owners Winter Series on January 24, 2018.

Ashlee has started making strong connections within this group and hopes to contribute her knowledge and expertise to their members.

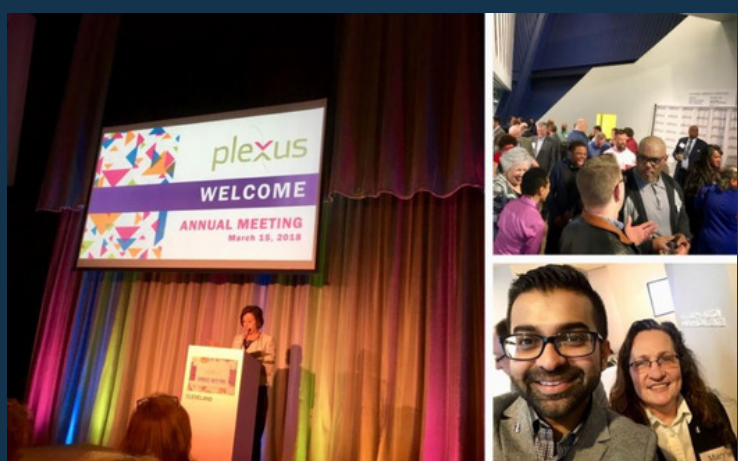

The Baird Morgan Agency participated in the Tennessee Latin American Chamber of Commerce Winter Luncheon on January 25, 2018. Associate Ana Cortes is spearheading this effort and is tirelessly working to represent Nationwide in the Hispanic community in Nashville, TN.

To grow a business, it's important to have the right team in place. It is even more important to create the environment that enables your team to succeed. Ohio's Consultative Ins. Group has a tremendous staff and has built an internal team focused on community outreach. This agency will be working closely with our partners at Plexus LGBT and Allied Chamber of Commerce and the Hispanic Chamber Cincinnati.

Nationwide was proud to be a sponsor at this year's CIAA Basketball Tournament in Charlotte, NC. Associates from all over the country represented Nationwide throughout the week and at the Fan Fest Experience!

The CIAA mission promotes athletic programs which will develop leadership, physical fitness, sports participation, diversity, and athletic excellence of the highest ethical character through competitive intercollegiate athletics.

Nationwide agency Consultative Ins. Group sponsored the Annual PLEXUS meeting in Cleveland, Ohio on March 15 2018. PLEXUS is one of the largest LGBTQ chambers in Ohio. The event was dedicated to the unexpected passing of co-founder of PLEXUS - David K. Ream. In honor of Dave, they created the Plexus Education Foundation that will support continuing education and business certification.

There were tears, joy, new connections, and we were honored to be part of it.

Thank you all for the continued support, and we look forward to making 2018 a strong year!
