State Route 18 Culvert Replacement Project In City of Big Bear Lake June 2024

SAN BERNARDINO, CA – The California Department of Transportation (Caltrans) informs the public that contractor crews will continue work on State Route 18 (SR-18) in San Bernardino County in the City of Big Bear Lake. Culvert replacement work will occur from near Big Bear Dam to near Lucerne Valley. This \$3.58M project includes funding from Senate Bill (SB) 1 and will replace existing culverts, an investment to fix our aging infrastructure. Work activity will include excavation, hot mix asphalt placement, concrete and various structural repairs.

Signage will be posted near the work area in days leading to construction activity. **Culvert work will require traffic control during daytime hours. One lane will be open to through traffic, both directions, with flagging and traffic control in place from 7:00 a.m. to 3:00 p.m. from Monday through Friday.**

Drivers will experience traffic delays during hours of operation. Use caution and expect delays during construction hours. Law enforcement will be on scene to
