

Job Description

Department	Ohio Capital Corporation for Housing
Job Title	Vice President of Community Development Lending
Reports to	President

Job Summary:

Responsible for originating and evaluating risks associated with community development and affordable housing real estate while creatively developing solutions to complex financing, underwriting and closing issues. Will manage, coordinate and execute the lending process with all stakeholders (project sponsors, investors, attorneys, internal OCFC/OCCH staff, state/local jurisdictions, etc.) in an effort to help transform neighborhoods.

Essential Job Functions:

Function / Core Responsibility
<p>Originate, underwrite, close and service community development and affordable housing loans: Will focus on developing OCFC's community development platform, including but not limited to loan origination and the development of the approval package by utilizing best practices relating to underwriting, structuring, and closing of loans. Additional affordable housing loans may also be generated.</p>
<p>Loan Fund Management: Will manage all aspects of OCFC's affiliated loan funds including the Southside Renaissance Fund and Cincinnati Neighborhood Transformation Fund. Will assist in new loan fund development, structuring solicitation and implementation.</p>
<p>Grant Writer: Will serve as the lead for CDFI grant applications for Financial Assistance and the Capital Magnet Fund. Must be able to manage a consulting team and effectively develop funding applications from concept thru submission, draw down and implementation.</p>
<p>System Administration: Will work with the CDFI system (AMIS) and OCFC's loan management software (TEA 10) to apply for, manage and report on grants and loans.</p>
<p>Initiative Management: Will serve a point of contact for industry work groups including CDFI Fund, Opportunity Finance Network, OH3C, etc.</p>
<p>Delivery of Value-Added Services to Partners or Other Duties: Will occasionally be asked to provide training or technical assistance to borrowers related to the lending process. May be involved in a variety of additional activities, including participation in the annual LIHTC application</p>

Job Description

process; involvement in the annual investor due diligence process; participate or present at a variety of symposiums or conferences; and other projects as required.

Education/Certifications:

- Master's degree in business or Bachelor's degree in real estate, finance, public policy, urban planning or related field preferred
- Candidate must have general lending, banking, or equivalent educational experience
- Experience in law, finance, accounting, property management or Section 42 helpful

Work Experience:

- 5+ years of relevant experience within the real estate industry or other industry where skills are clearly transferable
- Knowledge and experience with affordable housing finance and nonprofit development organizations preferred
- Understanding of commercial and multifamily real estate lending and analysis, and public sector programs critical to community development lending
- Work history must demonstrate competency in areas related to the key work responsibilities identified above
- Proficient in relationship-building skills and has flexibility to work with broad range of cultures, personalities, and work styles
- Strong organizational skills including ability and willingness to follow through and prioritize multiple tasks to meet customer deadlines
- Capable of working independently, but within a team context
- Superior written and verbal communication skills required with emphasis on clarity, conciseness and relevance
- Demonstrated ability to prepare clear, accurate, and well-organized financial reports

Knowledge, Skills & Abilities:

Job Description

Strong Communication Skills: Position requires strong written and verbal communication skills. Must be able to articulate complex matters in a clear, concise and relevant manner. Will clearly communicate outcomes of the financial analysis to support the proposed disposition plans and be prepared to share those plans with GPs, investors and other stakeholder. Required technical skills include MS Excel, MS Word, drafting memos, and clearly organizing ideas in MS PowerPoint.

Organized with Strong Work Ethic: To be successful, one must be highly organized; be highly productive; be able to work independently (but within the context of a team). Maintaining high quality standards with work product is required, despite the fast-pace and high volume of work performed. Must be able to prioritize duties, follow-through and meet deadlines.

Commitment to Ongoing Professional Growth: The successful candidate will embrace the opportunity to continually grow and push oneself to continuously improve.
