

DIVE INTO READING!

Welcome to the 2017 Bassett Summer Reading Program! This summer we encourage you to dive in and sink deep into reading. For each 20 minute period that you read (or listen to) a book, color in one of the ocean creatures or plants below. Any reading counts!!! Books, magazines, audio books, graphic novels, or websites (Try MobyMax or Raz-Kidz). Check out Westlake Library for information regarding their summer reading programs!

Keep this sheet in a safe place throughout the summer. Color in all sections and return it to Bassett during the first week of school to complete the Summer Reading Program. All forms are due by Friday, August 25th.

Holy Mackerel! All students who complete the Summer Reading Program will be awarded a small prize AND earn a gift certificate to be spent at the Book Fair in November.

Name: _____ 2017-2018 Grade/Teacher _____
