### **Summer Typing Program At Bassett Elementary**

New this year!! Welcome to the 2017 Summer Typing Program at Bassett! Practice makes perfect, so this summer we challenge students in grades 2-4 to practice their typing skills during the summer months. To complete the typing program, you need to do 10 minutes of typing practice 2 times a week for 8 weeks of the summer. As you complete each 10 minutes of typing, make a check-mark in the table below. At the end of the week, color in the picture for that week. When you have colored in all eight pictures, you have completed the program.

Keep this sheet in a safe place throughout the summer, and bring it to Bassett during the first week of school. All forms are due by Friday, August 25th.

Holy Mackerel! All students who complete the Summer Typing Program will be recognized at an Awards Ceremony and will receive a small prize.
