

1...2...3...4... We Declare A Third Grade Penny War!

December 9-11, 2019

Put your spare change toward a great cause!

Here's how it works!

- Bring in your spare change from home and place it in the container outside your classroom from Monday, Dec. 9 - Wednesday, Dec. 11.
- Change will be counted and the winning class will be announced on Dec. 11!
- The winning class will receive a special reward as determined by their teacher on Friday, Dec. 13

Why the Penny War?

All proceeds from our penny war fundraiser will be used to purchase fleece for a winter service project. Third graders will be creating no-sew fleece blankets that will be donated to our neighbors at Brighton Gardens, an assisted living facility next door to WES, during their winter holiday parties.

We anticipate our third grade classes will be able to make and donate more than 50 blankets in total to help spread some holiday cheer to our neighbors!

Start saving your change—every penny counts!
