#### **Grades 1-4 and full day kindergarten:**

- Drop off begins at 7:45 am
- Start time: 7:50 am (tardy at 8:05 am)
- Dismissal: 2:20 pm

#### **Half day kindergarten:**

- Drop off begins at 11:40 am (tardy at 11:50 am)
- Dismissal: 2:20 pm

### **ARRIVAL & DISMISSAL**

Many of our students ride the bus to and from school, but we also have many who are car riders, walkers & bike riders, and who attend Project Link.

#### **Walkers/Bike Riders**

If your child is walking or biking, a staff member is stationed during arrival and dismissal times to help students safely cross from/to the path of the adjacent neighborhood.

#### **Car Riders**

If you are dropping off/picking up your child by car, you must enter from the back driveway on Woodmill Drive and join the car line. Students should be dropped off/picked up at the sidewalk next to the gym and mobile units.

- Do not enter from Bassett Road to drop off or pick up (except for half day kindergarten drop-off, 11:40-11:50 am).
- Do not drop off or pick up in the bus loop. The bus loop is for buses and day care vans only.
- Do not park in the back parking lot and have your child cross in front of cars in the car line. This is not safe!
- A yellow name placard was included in the First Day Folder of your oldest child at Bassett. Please display this placard in your front window at pick-up.
- Please always drive slowly and cautiously through the drop-off/pick-up area for the safety of ALL.

### **Project Link**

If you need your child to be at school before arrival time and/or after dismissal time, Project Link is the before and after school care program offered by the Westlake City School District. For enrollment information go to the [Project Link website](#) or call 440.835.6306.
