

ARTIST IN RESIDENCE

We Are All Part Of The Puzzle

March 12-16

We are pleased to announce that Bassett's Artist in Residence program this year will be: "**We Are All Part Of The Puzzle**." This engaging program will run during regularly scheduled art classes March 12-16.

Four students from the [Cleveland Institute of Art](#) (CIA) will be working with Bassett students to design a collaborative piece of art under the supervision of adjunct CIA faculty member, Kristin Thompson Smith. CIA is an accredited art and design school and places a strong emphasis on making sure its students get practical experience outside of the studio.

If you have questions, please contact Mrs. Laury at LauryS@westlake.k12.oh.us, Janet Spreen at jspreen@bakerlaw.com, Jennifer Jones at jenjones713@gmail.com, or Andi Whitaker at andimw@gmail.com. The Artist in Residence program is sponsored by Bassett PTA.
