Go WILD for Reading!

Welcome to the 2018-2019 Bassett Summer Reading Program! This summer we encourage you to go wild for reading! Color in one of the rainforest animals or plants below for each 20 minute period that you read (or listen to) a book. Any reading counts!!! Books, magazines, audio books, graphic novels, or websites (Try MobyMax or Raz-Kidz). Visit the Westlake Library for information on their summer reading program!

Keep this sheet in a safe place throughout the summer. Color in all sections and return it to Bassett in August to complete the Summer Reading Program. All students who complete the Summer Reading Program will be awarded a small prize AND earn a gift certificate to be spent at the Book Fair in November.

Grades 1-4: All forms are due by Friday, August 24, 2018.
Kindergarten: Please turn in on/before the first day of school.
