

The entire page is framed by a decorative border on a light blue grid background. A red dashed line runs along the inner edge of the border. Various school supplies are illustrated around the border: a yellow school bus at the top left, a green crayon, a yellow pencil, an orange crayon, and blue scissors at the top; a red apple and a purple crayon on the left; a yellow pencil and a red apple on the right; and a pair of blue scissors, a yellow pencil, a red crayon, a blue crayon, and a yellow school bus at the bottom.
