About CJD and the CJD Foundation:

Creutzfeldt-Jakob Disease (CJD) is a rare, rapidly progressive neurodegenerative disease. There is no treatment or cure, and the disease is invariably fatal. The CJD Foundation, a non-profit 501(c)(3) organization, offers families a 7-day HelpLine, referrals, an annual conference, and support groups. The Foundation also awards annual research grants. Proceeds of the event will go to the **CJD Foundation General Fund**, which supports medical education, family services, and research programs.

How You Can Help (For information, call 800-659-1991 or visit www.Strides4CJD.com):

Diamond and Platinum Sponsors' names or logos will be displayed on participant T-shirts, our website, and signage. Gold Sponsors' names will be listed on participant T-shirts and on our website and signage. Silver and Bronze Sponsors' names will be listed on our website.

Donation: Donations by cash, check, or credit card may be made in person, by phone, or through our website (www.strides4cjd.com) to support individual participants or the overall event. Please make checks **payable to CJD Foundation**.

The CJD Foundation is a 501(c)(3) organization (Federal EIN: 65-0404623). Your gift is tax deductible to the extent allowed by law. If your **employer matches donations**, please consider requesting a match to complement your personal contribution.

Thank you so much – we truly appreciate your support!

With best wishes,

Debbie Yobs, President
