

The Songwriters Hour Continues

Since its inception, "The Songwriters Hour" hosted by L.A. Moore has become a Radio St Pete favorite. This monthly show shines a light on two songwriters from the local music scene. Tune in April 19th at noon to hear the stories and songs of Big Jim Allen and Patrick Barmore.

The Florida Folk Show

For 25 years Pete Gallagher and co hosts have broadcast the Florida Folk Show live. On the Saturday, April 5th show the crew welcomed Sandy Atkinson of Play Me Some Blues. This Friday afternoon show has become a staple for our listeners. And let's not forget Stefanie Hinton a frequent co- host. Stefanie's show Get to the Roots airs Wednesdays at 3PM.

Radio St. Pete is a station that prides itself on promoting local talent and culture. We can't think of a better way then to produce live shows from the studio that showcase the vibrant spirit of the area.
