# Doberman Spotlight:

# Lucy

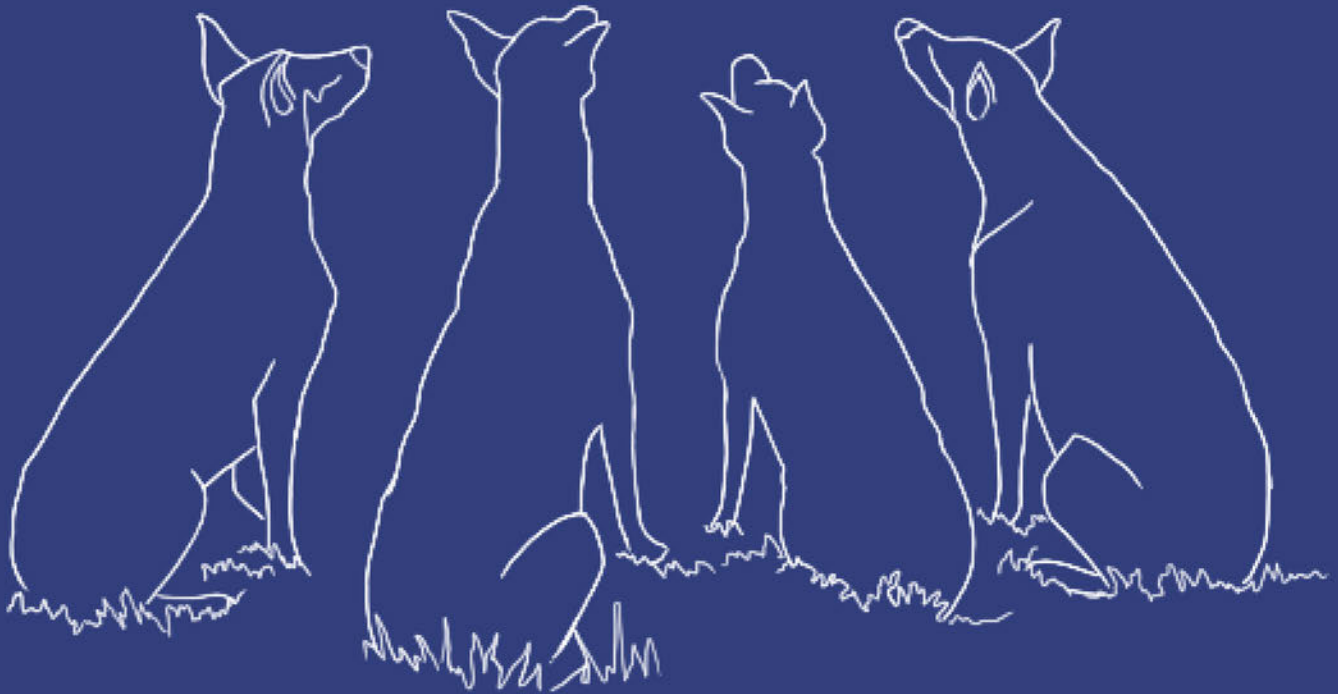

From her family:

"One month ago, Hunter DeSena & I welcomed home a new Doberman. Everyone meet Lucy, our sweet red headed dobie. Guinness is loving every second and they are the best of friends. We are so thankful for House of Hoytt and all they do for us and our sweet dokes and what an awesome bloodline of American Dobermans we get to be a part of."

Thank you all for contributing to our
