

HAPPENINGS AROUND THE HOUSE

NEWS FROM HOYTT OWNERS AND HOUSE OF HOYTT

JULY 2020

ISSUE #53

Message from “The Boss”

For sure we will be welcoming all our DobeFest attendees as planned, and for the first timer to DobeFest, our property allows for as much separation as needed and still feel like we are on a private island with family.

Our team is ready, and if the group prefers, masks will be available (at no charge). For sure we will do what is best for all of us. Do plan to attend letting us know as soon as possible.

Barrie Hoytt

RECENTLY PLACED

**Sam & Chelsea picked up their new girl
"Marni" from Camp Hoytt**

SUPER FOOD SNACKS

Sardines & Eggs

TO MAKE A BATCH OF THESE
TREATS, YOU'LL NEED:

SARDINES IN
SPRING WATER

2 EGGS

A HANDFUL OF WHATEVER
GREENS YOU WANT

- NETTLES
- SPINACH
- KALE
- DANDELION GREENS
- SPIRULINA

*IF YOU USE A LARGE CAN OF
SARDINES, DOUBLE THE RECIPE.

Lightly steam the greens. For the
spirulina, grind it with a pestle and mortar.

Mix the ingredients together.

Serve raw, freeze, or bake at 350
degrees for a few minutes max!

YOU CAN ALSO ADD TURMERIC,
ASHWAGANDHA OR ANY HERBS YOU WANT TO
INCLUDE IN YOUR DOG'S DIET. POWDERED
HERBS ARE GREAT FOR THIS RECIPE.

To cool off a hot dog on a sultry day, give your
dobe pet pops. Make them with any food they
like, like veggies or applesauce. Freeze the pops
in an ice cube tray.

Or whip up some peanut butter pops:

- Mix 1 cup of peanut butter
(unsalted is best) with half a
mashed, ripe banana or a little
water.
- Drop by spoonfuls onto cookie
sheets lined with wax paper
and freeze.
- Yogurt mixed with peanut
butter frozen in ice cube
trays
