# KEEP YOUR DOBE COMING TO YOU RELIABLY

## **DO**

MAKE RECALL TRAINING A PRIORITY!

FIGURE OUT WHAT MAKES YOUR DOG WANT TO COME TO YOU.

CONSISTENTLY PAIR UP THE RECALL CUE WITH YOUR DOGS FAVORITE THINGS, (HIGH MOTIVATIONAL TREATS) AIMING FOR 100% ASSOCIATION BETWEEN THE WORD “COME” AND SOMETHING GREAT!

## **DON'T**

ASSUME THAT YOUR DOG WILL COME WITHOUT BEING TRAINED TO DO SO.

JUST USE YOUR DOG'S NAME WITHOUT THE WORD “COME” JUST USING THEIR NAME GIVES THEM NO INFORMATION OR DIRECTION.

CALL YOUR DOG FOR ANYTHING THAT THEY WILL CONSIDER AVERSIVE.

RECALL TRAINING IS ONE OF THE MOST IMPORTANT THINGS WE TEACH AT CAMP HOYTT, AND IT IS ALWAYS GOOD TO CONTINUE THIS WHEN YOUR DOBE COMES HOME.

TEACHING AND KEEPING A GOOD RECALL INVOLVES DEVELOPING A STRONG ASSOCIATION BETWEEN YOUR SIGNAL AND SOMETHING GOOD HAPPENING FOR THE DOBE. IF YOUR DOBE LEARNS THAT COMING TO YOU IN RESPONSE TO A SPECIFIC CUE LEADS TO A GREAT TREAT, THEY WILL WANT TO COME, AND WILL DO SO CONSISTENTLY. THE KEY IS THAT YOU ARE DOING SOMETHING THAT YOUR DOBE CAN RELY ON TO RESULT IN A POSITIVE EXPERIENCE.

WE TEACH THE YOUNG DOBERMANS TO GIVE US THEIR ATTENTION WHEN WE USE THEIR NAME, AND THE WORD “COME” WHICH TELLS THEM WHAT WE WANT THEM TO DO.

## ~What is a Doberman~

A Doberman is not just a dog, they're family. The kind of dog that's closest to perfect. The kind your truly proud of. The kind that's friendlier & funnier then any. The kind that looks scary for security, can truly protect you if necessary, but would never hurt a fly. The kind that will brighten your life more then just the average dog, with a sweetness you don't see in any other breed. The kind that is probably the smartest dogs that exists. The kind that once you own one....you will NEVER want any other breed again. So I ask, what is a Doberman?? I'd say, a Doberman..is the perfect dog!
