DOBEFEST 2022

CANCELED

We are sad to announce that DobeFest has been canceled for this year, as numerous events taking place in our area have created a lack of lodging for our guests. We attempted to change the date; however, this caused several schedule conflicts for ourselves and our attendees.

Therefore, **DobeFest 2022** has been officially canceled, but we are looking forward to an even bigger and better **DobeFest 2023!**

Hope to see you then!
