

HAPPENINGS AROUND THE HOUSE

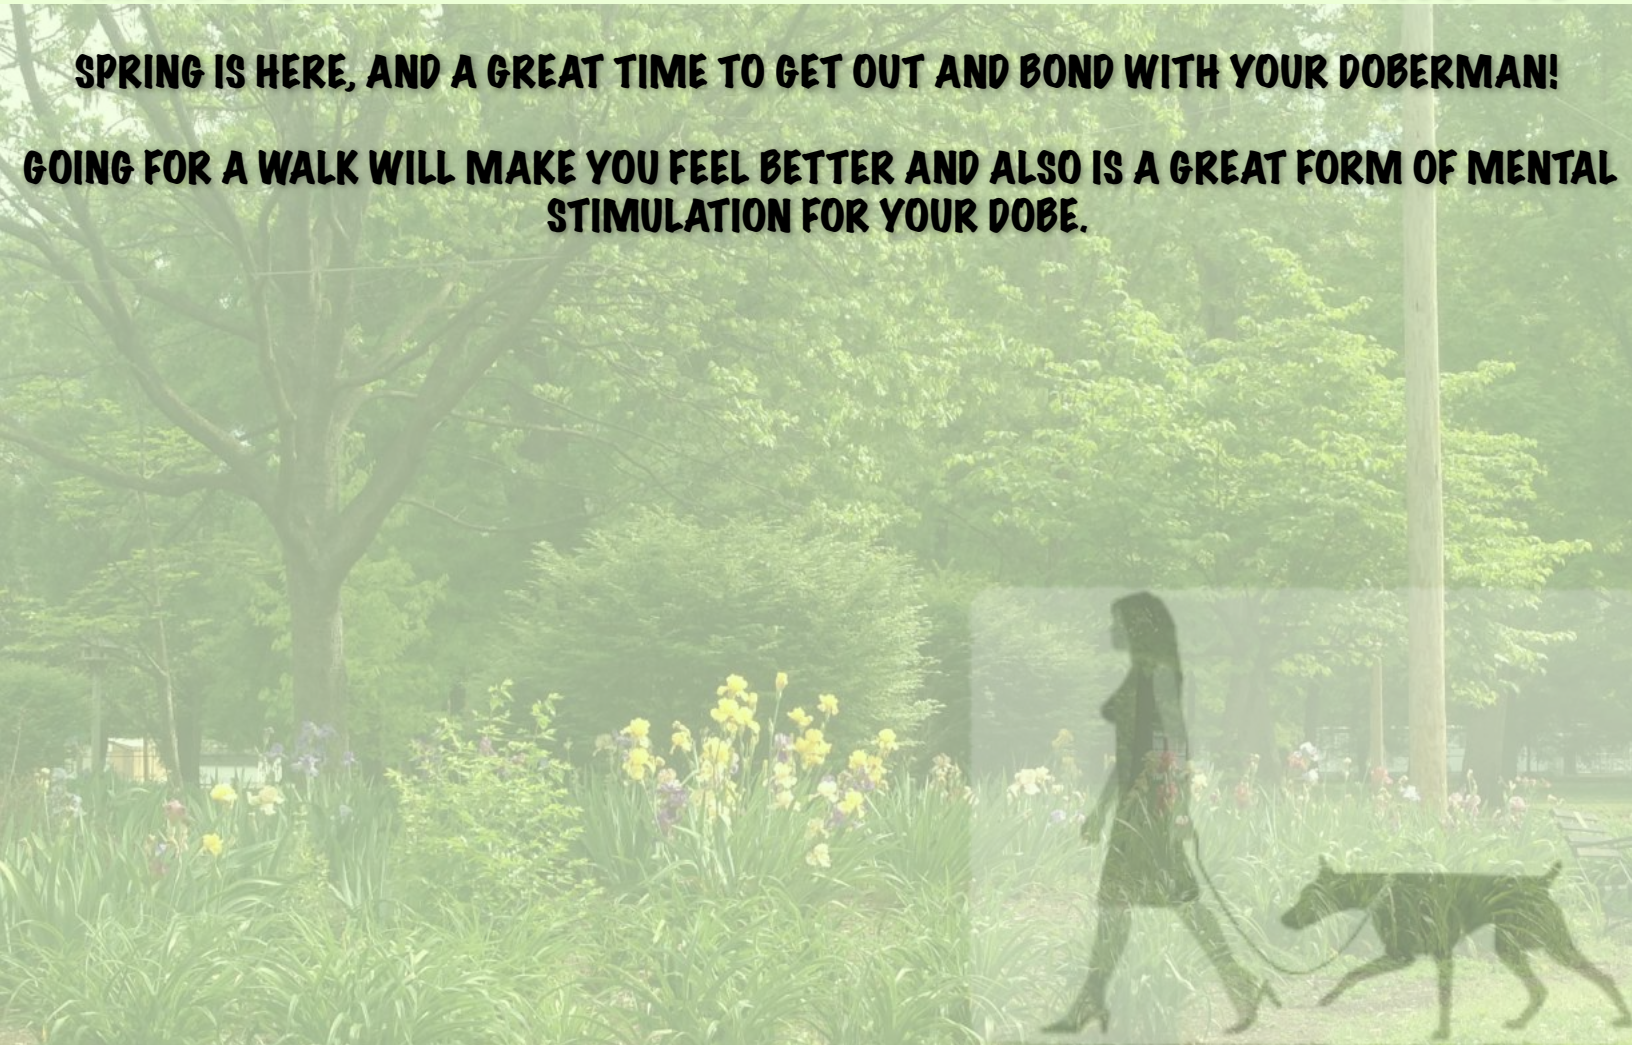

NEWS FROM HOYTT OWNERS AND HOUSE OF HOYTT

MAY 2019

ISSUE #38

SPRING IS HERE, AND A GREAT TIME TO GET OUT AND BOND WITH YOUR DOBERMAN!

GOING FOR A WALK WILL MAKE YOU FEEL BETTER AND ALSO IS A GREAT FORM OF MENTAL STIMULATION FOR YOUR DOBE.

REMEMBER TO GIVE YOUR DOG A CHANCE TO SNIFF. DOGS EXPLORE VIA THEIR NOSES, AND NOT EVER ALLOWING THEM TO STOP AND SNIFF WHILE ON A WALK CAN BE A VERY FRUSTRATING EXPERIENCE. MARC BEKOFF, PH.D., PROFESSOR EMERITUS OF ECOLOGY AND EVOLUTIONARY BIOLOGY AT THE UNIVERSITY OF COLORADO BOULDER, EVEN GOES SO FAR AS TO SAY, "NOT ALLOWING DOGS TO SNIFF CAN BE SEEN AS A FORM OF SENSORY DEPRIVATION THAT ROBS THEM OF VITAL INFORMATION THEY NEED TO NAVIGATE THEIR SURROUNDINGS."

AT LEAST ONCE A DAY, MAKE A POINT TO LET YOUR DOG DO THE LEADING, SNIFFING EVERYTHING TO HIS HEART'S CONTENT. YOU CAN EVEN TEACH YOUR DOG WHICH OUTINGS ARE FOR EXERCISE AND WHICH ARE FOR EXPLORING AND SNIFFING BY RESERVING A SPECIAL LEASH OR COLLAR FOR EACH PURPOSE.
