

Adventure Awaits

• Nature Discovery Trail •

Welcome to the Nature Discovery Trail

The Nature Discovery Trail has expanded to stretch from the Nature Center to the Splash Pad. Explore with new Interpretive signs based on paintings of local artist Molly McNece, and five new stations to spark curiosity and fuel hands-on learning.

Forest Fundamentals

Discover aspects of the forest life cycle and how nature recycles.

Habitat Headquarters

Detect animal adaptations and how they help animals survive in their habitat. Create in our Nature Maker Space.

Mitten Memories

Create lasting memories throughout Farmington Hills and Michigan. What are your Mitten Memories? #FHMittenMemories

Monarch Meadow

Learn the relationship and impacts of non-native invasive plants and Michigan native plants. Explore Monarch Meadow to find examples of Michigan native plants.

Water Wonders

Gain a new appreciation for water as a resource by engaging with water and your watershed.
