Junior Naturalist Club

Enrich your child's natural curiosity with our fun and hands-on, year-long program! Children will explore a different topic each month and gain an understanding of nature and their important role in helping to protect it. Discover new topics each month and earn a key chain badge for completing this nature program. Join us every month to collect even more badges. After earning three badges you get a prize! Please dress your child for the weather and exploring outdoors.
