

ROUGE RESCUE

Saturday, May 19th

9:00am to 12:00pm

Come on down to Heritage Park for the annual Rouge Rescue stewardship event hosted by the Farmington Hills Nature Center and the Friends of the Rouge! Work with other volunteers on a variety of projects aimed at cleaning up our part of the Rouge River and its watershed!

Activities include removing invasive plant species, planting native trees and wildflowers, trash removal, and an educational event on the Rouge River watershed and its importance.

Please dress for the weather and for working outdoors. Equipment will be provided. The first 50 volunteers will receive a Rouge Rescue t-shirt, and a free lunch will be provided for all!
