HERITAGE PARK

SUMMER SOLSTICE CELEBRATION

June 21

Activities will run from 6:30-8:30pm.

Celebrate the longest day of the year, the Summer Solstice, at Heritage Park! Take a hayride through the park, enjoy roasting marshmallows around a campfire, explore the Nature Center, create a fairy door and art projects, and find out what makes this day so special with games and outdoor activities. A great way to celebrate the first day of summer with family and friends. Free for kids under 2. Pre-registration required.
