IMPORTANT PARKOUR INFORMATION

During the month of March we will be migrating our Hurakane Alley Parkour, OCR and Summer Camps to a new, more user friendly online scheduling and payment system

Everyone wishing to participate in our Hurakane Alley classes after March 31st will need to have a FREE MYiClubOnline account at the club. If you or your child does not already have a membership at the club, you will need to help us create one. With the new account, you will be able to purchase and schedule classes that occur after March 31st. **You will continue to use Schedulicity to purchase and schedule all classes held in March.**

Please provide the following information for each participant so we can create their new membership account in MYiClubOnline. Each person will need their own individual account. After we create the account, you or a parent or guardian in the case of a child's account, will need to stop by the front desk to sign and activate the account. It will only take a few seconds.

Any remaining sessions left on your Schedulicity account will be transferred to your MYiClubOnline account at the end of March. Thank you for your patience and cooperation with this transition.
