

## Instructor Kevin Kane

Sensei Kane has been active in the Martial Arts for over 17 years. He is a certified Black Belt in Goshin Jitsu Karate, Judo and Aiki Jitsu.

## Our Philosophy

USA Karate Academy is a "Black Belt" academy. The goal for each student is to help them earn their Black Belt both in Martial Arts and in life. Our Black Belt success system teaches students to set high but achievable goals, and train hard to reach them. This journey develops the self discipline and dedication necessary to overcome obstacles and become successful in everything they do. It develops self esteem, integrity, courtesy and strengthens both mind and body.

## Student Pledge

*I intend to develop myself in a positive manner and avoid anything that would reduce my mental growth or my physical health.*

*I intend to develop self-discipline in order to bring out the best in myself and others.*

*I intend to use what I learn in class constructively and defensively to help myself and my fellow man, and never to be abusive or offensive.*
