

## **Announcements for the Week of September 23, 2019**

**Enroll Now in One Credit Courses:** Look for the purple forms – OLLI One Credit Program forms are available in the Campbell Center office and classrooms, and at the HEC in Medford. If you are 65 or older and have been a resident of Oregon for at least a year, and are registered in an OLLI class approved by SOU for one credit, you qualify to sign up. A list of approved courses is on the back of the purple form. Registration in a one credit course entitles you to use of the SOU Hannon Library for the duration of the term, and it benefits SOU, OLLI and OLLI instructors as well. Forms are due Friday, October 11, by 4 pm.
