Lincoln-Way Central Alumnus Selected for Dexter High School All-American Team

Lincoln-Way Central alumnus Kalei Bass (class of 2019) is one of 10 United States Bowling Congress youth bowlers recently named to the 2018-2019 Dexter High School All-American Team.

The Dexter High School All-American Team is comprised of five girls and five boys from across the U.S. Each bowler received a \$1,000 scholarship and was recognized during the Junior Gold Championships Opening Ceremony in July.

Candidates were selected based on grade-point average, their bowling and academic achievements, an essay, and two letters of recommendation.

Kalei was a member of the Knights bowling team her junior and senior years. She was also a member of the National Honor Society, on the Mathletes team that was a state qualifier each of her four years, and did community work through Leo Club, part of the New Lenox Lions Club.

Kalei is now a freshman at Purdue.
