# Will County 100 Club New Member Application

## History & Purpose

The Will County 100 Club was formed in 1967, established for the purpose of rendering economic assistance to the families of law enforcement, firefighters and other public safety servants who are killed in the line of duty while engaged in public service and in the employ of any federal agency within the state of Illinois and any political subdivision thereof.

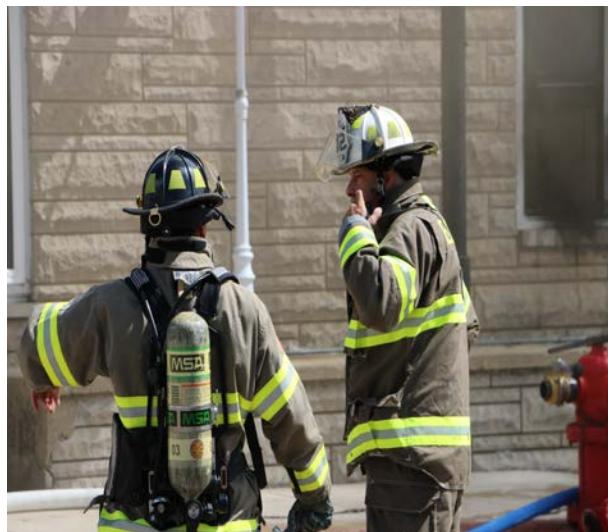

*The Will County 100 Club celebrated its 50th anniversary in 2017 and has paid out nearly \$500,000 since its inception in 1967.*

## The Will County 100 Club is the First Responder to the First Responders.

We realize money can never replace the loss or disability of a loved one, but funds can be extremely helpful in easing the financial burden associated with these tragic events. Recipients do not have to be members of the Will County 100 Club to receive benefits.

When you become a Will County 100 Club member you can be assured your assistance will be one of the first received by those who protect and serve us 24/7 when tragedy strikes.
