

Mokena Miracles is a new not-for-profit 501(c)3 organization established in 2017, aiming to assist Mokena families who are facing difficult challenges and struggles in their lives. We invite you to help us support our community.

Mokena Miracles spends each calendar year accepting donations, and uses those funds to enrich the lives of Mokena residents in need at the end of the year. Our goal is to reinvest the money raised back into Mokena. During the holiday season, we all make a special effort to let our families and friends know how important they are to us. We know how fortunate we are to be supported by them in good times and in bad, and our lives are enriched because of them. Mokena is similarly enriched by those who reach out to neighbors in need, whether friends or strangers, to let them know they are an important part of the community.

The **Mokena Miracles** program offers all of us the opportunity to support those within our village who need help - those who may be dealing with financial or medical struggles. The assistance that **Mokena Miracles** provides, through the generosity of caring donors like you, will let recipients know that they are not alone.

We have learned about several families in Mokena struggling through difficult circumstances. With your help, we can bring a little joy into their lives during the 2017 holiday season. If you are interested in learning more or are able to participate, by donating financially or volunteering, please contact us or join our e-mail list at www.mokenamiracles.com to be kept up to date with future **Mokena Miracles** news and events.

We thank you for your interest and support!

Sincerely,

The **Mokena Miracles** Board of Directors
Samantha, Tom, Bob, Mike, Joe, Jeff, & Michael
