

## CURTAIN CALL THEATRE

### *Did you know...*

We now have our very own theatre at 11112 Front Street in downtown Mokena.

### *Did you know...*

We plan on entertaining over 1,600 people this upcoming season in our 70-seat black box theatre. Our theatre will enrich the lives of those who take an active part in it as well as those in the community who attend our live productions. Being a Curtain Call Theatre Sponsor gives local businesses and merchants great exposure. In addition, 1,400 people attend our summer camp shows - each receives a program book with sponsor information.

### *Did you know...*

We provide theatrical instruction to more than 200 students in our area... building self-confidence and developing creative energy and imagination of children ages 5 to 14.

### *Did you know...*

We are a volunteer, 501c3 nonprofit theatre company. The costs associated with maintaining our own facility as well as renting facilities for our larger productions are great.

*Support our theatre by becoming a season sponsor!*

*Downtown Quality at  
Community Theatre Prices*

*Established in 1979, Curtain Call Theatre is a nonprofit community theatre that provides quality, affordable theater to everyone. All actors, production coordinators, technical crew and stage crew are dedicated, energetic volunteers who donate their time and talents to our productions. Our participants and volunteers come from all walks of life with a wide variety of talents and skills.*

*We are excited to have our own theatre facility in downtown Mokena providing several types of theatre experiences at our new Front Street Theatre.*

## Our Productions

Curtain Call traditionally offers many types of productions each year, including musicals, dramas, comedies, a Summer Theatre Camp for children as well as a Fall Young Performers Program and acting workshops. Our audience and performers extend beyond the Lincolnway area.

## Our Children's Summer Program

Our popular Emily McCabe Musical Theatre program started in 2003. It includes performing arts instruction in acting, dance, music and technical aspects of theater culminating in a full production. There are generally more than 160 children who participate in each year's summer program.

## Our Volunteers

Curtain Call Theatre is powered by a dedicated and growing army of volunteers. Many local theatre enthusiasts donate their time and various talents in support of our mission. Curtain Call provides community involvement through its volunteer opportunities.

## Your Support

We take great pride in our long history of providing creative outlets for theatre enthusiasts, while bringing diverse and quality productions to this area. As a result, Curtain Call Theatre is among the most respected organizations in our community. Your business or institution will derive considerable goodwill within the local area when we shine our spotlight on you as one of our sponsors.

Although we are a volunteer, nonprofit theatre company, our production costs as well as the expense of maintaining and improving our own theatre facility and renting facilities for our larger productions are great. Consequently, achieving our goals will not be possible without community support.

**Our mission is to provide a vehicle for local performing arts development, production and education, and to encourage and foster community involvement.**
