

FREE FOR ALL - the **2018 International Harvest Festival** is Saturday afternoon, September 15, from 1:00 to 5:00 in Salem Park.

Last September, about 100 attended and participated in the sharing of our different cultures while all, especially the watato (children), learned how we have so much in common. We had visitors and members of the Salem/Shalom family from the Congo, Uganda, Liberia, Kenya, Burundi, Zimbabwe, Zambia, Haiti, Senegal, the U.S.A. and many from Myanmar (Burma) who worship with the Mara Evangelical Church on the south side of Indianapolis.

Join Salem Lutheran Church and Shalom International Ministry for this year's event on September 15. If you wish, bring a dish to share - something that represents the culture and tradition of your heritage.

There is an opportunity to help raise the festival tent with a designated contribution to Salem's Outreach fund. You may give online with credit, debit or Paypal. [The link](#) is on our web site and facebook page. Giving by check to the Salem street address insures 100 percent of your gift goes to our ministry. We are currently half-way to our goal of covering the \$1000 cost for the tent, stage and tables.

Salem Evangelical Lutheran Church has been serving Christ from Pike Township for 182 years and the Shalom International Ministry is a partnership of Salem with the ELCA and Indiana-Kentucky Synod.

The Salem campus is at **4700 West 72nd Street in the village of New Augusta on the northwest side of Indianapolis (46268).**

Contact office manager Devoe Slisher for PDF files for flyers/bulletin inserts. office@salemELCA.com
