Summer Course Descriptions

MN 2175 | Building Parish Music Ministries | 2 hours credit

Provides practical strategies for evaluating the current music program and developing strong parish music ministries. Includes exploration of various models of music ministry, development of music resources (repertoire, choirs, budget, personnel, and equipment) and building positive working relationships.

HTS 2507 | Faith, Work, and Economic Wisdom | 3 hours credit

This course explores the integration of faith, work and economic wisdom as elements necessary for human flourishing in all spheres of society. Studying themes of vocation, ethics, justice, and community, students will develop a theology of work in the pursuit of personal and professional health. **Listed as HTS 2507 Business Ethics and the Ministry of the Laity.**

MN 3121 | Preaching in a Living Context | 2 hours credit

Emphasis on further development of skills in hermeneutics, practical theology, sermon composition, and preaching especially in the context of parish ministry (including preaching at baptisms, weddings, and funerals). **Pre-req: Introduction to Preaching**

MN 2638 | Emotional Intelligence for Life in the Parish | 1 hour credit

This course is designed to help students to understand and develop their EI and to sustain their relationships. Students will learn the concept and component competencies of EI, consider their own EI, and begin to develop plan for enhancing

MN 2172 | Music & Worship in the African American Tradition | 2 hours credit

A study of the music and worship forms of the African-American Christian tradition with emphasis on historical development, an understanding of the African American aesthetic, and practical applications for congregational music and worship.

Audit:\$105/credit hour
Credit:\$600/credit hour
