- To increase access to our services, Rape Response has added a new Live Chat feature to the www.raperesponse.com website.
- Trained Rape Response Advocates are online and available to chat each weekday between 8 am – 6 pm EST to provide support, information and advocacy to survivors of sexual assault, their loved ones and the community.
- Advocates continue to be available to provide these services on the 24/7 crisis hotline at 770-503-7273.

Rape Response is excited to announce a new Live Chat feature on our website. This feature enables survivors of sexual assault, their loved ones and the community to connect with trained Advocates through our website on any computer or mobile device. Between the hours of 8 am – 6 pm EST each weekday, Advocates are available to provide non-judgmental support, information and advocacy through this online platform. As with all Rape Response services, this service is free and confidential. Advocates continue to be available 24/7 on our crisis line at 770-503-7273. Call or visit www.raperesponse.com to connect with an Advocate or to learn more about this feature and other services we provide.

###

Rape Response serves as a system of support, advocacy and education to the community and survivors of sexual assault. Services are free and confidential with a primary service area that includes Dawson, Forsyth, Habersham, Hall, Lumpkin and White Counties. Staff and volunteer advocates are available 24/7 with a caring and nonjudgmental response on the crisis hotline, at the emergency room or with law enforcement. Rape Response is committed to respecting the unique needs, personal decisions and dignity of each person served.
