

CENSUS 2020: The 5 W's

WHO

The census counts **ALL people**, of **any age or status** living in the United States.

WHAT

The census is **a count of everyone living in the U.S.** taken every 10 years. It is **required** by the constitution.

WHEN

Census day is officially **April 1, 2020!**
You will start receiving information in the mail in mid-March.

WHERE

The census can be filled out **online**, on **paper**, on the **phone**, or directly to **census workers**.

WHY

1. The census helps your family get the **education, healthcare, and public services** you need.
2. Census counts **direct funding** to programs like School Lunch, Head Start, SNAP, WIC, Medicaid/CHIP and Affordable Housing.
3. The census is **convenient, safe and required**.
