East Bay Women's Conference Monday, March 6, 2017

Now in its twelfth year, the **East Bay Women's Conference** is the only conference of its kind in San Francisco's East Bay that provides women opportunities to come together and participate in programs of personal and professional enrichment and development, and those that expand horizons by sharing the stories of others who live across the street, around the country, and on the other side of the world. The East Bay Women's Conference is recognized by the community for programming excellence and has enjoyed sold out attendance since its 2006 inaugural event.

"One of my favorite events of the year is the East Bay Women's Conference. It's always inspiring—from the informative breakout sessions—to the great speakers, like Gloria Steinem, Alice Waters and even, Danville's Lorrie Sullenberger."

Susan Safipour
