

LOCATION NEEDED FOR CHAMBER BLOOD DRIVE

Be a Part of Something Bigger Than Yourself!

The **US Food and Drug Administration** has announced that US blood supplies have decreased amid the coronavirus epidemic. The **Walnut Creek Chamber of Commerce & Visitors Bureau** is therefore partnering with Vitalant in the hopes of making a difference. **Valient** is one of the nation's oldest and largest nonprofit community blood service providers. They supply comprehensive transfusion medicine services to nearly 1,000 hospitals and health care partners for patients across 40 states. Every single day Vitalant focuses on making sure enough blood is available for patients when and where they need it.

The Chamber is looking for possible locations with the following requirements to host a drive:

Minimum of 2000 square feet of empty indoor space

Electrical outlets

Access to restrooms

Parking for donors

Be ADA accessible

12 -15 six foot tables and 30 – 40 chairs (optional)

Vitalant will bring in all of the equipment and staffing. Your decision to host a blood drive will give your business a chance to share in the wonder and be a part of something bigger.

**Should you be able to meet the requirements and provide a location,
please contact Marcie Hochhauser, SVP, at mhoch@walnut-creek.com.**

Thank you in advance for your consideration
