

RECRUITING FOR ONLINE SEX ED PILOT FOR YOUTH

DO YOU REPRESENT ANY YOUTH IN
FOSTER CARE WHO WOULD BENEFIT
FROM RECEIVING FREE ONLINE
SEXUAL HEALTH EDUCATION?

Compensation: youth have
opportunity to earn up to
\$187 Visa gift card

Those who attend
min. of 8 classes will receive
\$50 bonus compensation

ELIGIBILITY

- Youth in LA County foster care
- Ages 14-17
- Must have access to headphones & personal device that connects to Zoom

WHEN

- April 5 – May 13, 2021
- 11 Teen Talk YAS sex ed classes
- Tuesdays & Thursdays

PURPOSE

RHEP is testing & receiving feedback on effective strategies for delivering online sexual health education to youth in foster care.

Youth will have an opportunity to share their thoughts & ideas on how to improve delivery of online education.

WHAT IS TEEN TALK?

Teen Talk Youth in Alternative Settings (YAS) is an adaptation of Teen Talk, a curriculum created by Health Connected and used in many California schools. It complies with state curriculum laws and has been vetted for medical and legal accuracy. It also has been reviewed by former foster youth for appropriateness and fit for youth in care. The pilot classes will be taught by professional sexual health educators from Planned Parenthood Pasadena and San Gabriel Valley.
