Developing Faculty Competencies In Assessment

Virtual- Longitudinal Program: Friday's 10-2 PM

10/15, 10/22, 10/29, 11/5, 11/19* and 12/3 (*11/19: 10 AM -3PM)

Assessment is essential to all of education, and graduate medical education is no exception. This course will be an introduction of competency and outcome-based education, and with the ACGME's current accreditation model that includes the Milestones, the urgency for high-quality GME programs.
