The overall activity level of this tour is a level 2. This means you like a balanced approach to travel. Walking two to three miles over the course of a day is no problem for you. You can handle a variety of terrains, from cobblestone streets to moderate hills with relative ease and without assistance. You can climb two flights of stairs with ease. Expect some full days balanced with free time to recharge or set out on your own adventure. You can handle altitudes up to 6,000 feet. While this level is appropriate for travelers that require mobility assistance devices, there could be times when you may have to sit out on some of the included activities.

Travel with an average of 37 people (maximum of 44).

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

To fully experience all that we have included on this tour, there will be one long travel day. Your travel to and from Devils Tower includes 4 hours or more of driving, including stops.

Personal audio devices (headsets) are not included on this tour.
