Intergenerational Tech Buddies

Tech Assist

with High School Students

Learn • Share • Connect

Windy Hill on the Campus is excited to partner with Spring Grove Area High School to provide an intergenerational technology program connecting high school students with members of Windy Hill. Students will serve as Tech Buddies, offering friendly, patient assistance with everyday technology questions.

Let Us Know What You Need!

We will have interest forms located in the office so we can get a better understanding of what kind of help you need. This is a drop-in program, but you're also welcome to attend each session to learn something new!
