Hefty ReNew
PREVIOUSLY CALLED HEFTY® ENERGYBAG® PROGRAM

HOW DOES IT WORK?

① Throughout the Week	② Trash & Recycling Day	③ Ongoing

CONTINUE RECYCLING

Keep up the good work! Continue placing recyclable items in your recycling cart.

Recyclables continue to be sorted at your local recycling facility and sent to processing facilities for new use.

NEW!

START COLLECTING HARD-TO-RECYCLE PLASTICS

Fill the Hefty® orange bag with acceptable hard-to-recycle plastics.

Tie up the full orange bag and place it in your curbside recycling cart, along with normal recyclables.

The recycling truck will pick up and deliver the bags to your local recycling facility (MRF) as part of routine service.

The orange bags are also sorted at your local recycling facility and sent to a facility for use as valued resources.
