Re: Roselawn Bike Safety Fair

Dear Officer Alt, Chief Wallace, Ms. Reasoner, and Lt. Forrest:

I wanted to express my personal thanks, and that of the ROCURC Board, for your kind assistance with our First Ever Roselawn Bike Safety Fair held this past Sunday at ROCURC Garden.

Chief Wallace, your initial positive response to my request made the difference between going forward or scrapping the event. Officer Alt's experience in executing one of these events lent the psychological backing to plan and execute it. And Ms. Reasoner's superlative introduction and promotion in the Amberley Village e-newsletter was beyond expectation. Thank you all for responding to my request, without hesitation.

Lt. Forrest, it was a pleasure meeting with you at the event. I could see your interactions with our guests were well met!

Not only was this a good opportunity to learn, but it further reinforced existing relationships between ROCURC and Roselawn, and our Amberley Village and Golf Manor neighbors. I look forward to continuing this inter-community involvement that began for me with the joint acquisition of Liberty Tree Memorials in 2009.

With My Sincere Best Wishes and Thanks,

Nancy Sunnenberg
Project Manager
