Additional Information: We provide guided, educational tours of the York County craft beer scene. All tours are led by knowledgeable and experienced Beer Guides who lead groups through guided craft beer tastings, exclusive behind-the-scenes access and local historical and antidotal information. Our Beer Guides can easily step on board of the motorcoach and create a memorable experience. As we have a number of Beer Guides, we are very flexible in working with you.

What will group leaders be experiencing? It is our intent to provide a sample of what our tours are by visiting one area brewery, hosting a guided tasting along with a behind-the-scenes tour of the brewing facility and a meet and greet with the brewer. Our Beer Guide will also include local historical and antidotal information for a well rounded experience. We are open to creating a unique experience that fits into your schedule.
