Leadership Breakfast Session—Marijuana in the Workplace

March 23, 2020 9:00 am - 11:30 am

Dear PBA Members,

As Chair of PBA, one of my goals has been to offer education and training in a casual atmosphere with opportunity to network, hear what is going on within the industry, and learn valuable information to bring back to your organization. If you'll recall, I introduced Leadership Lunch & Learning sessions a couple of years ago. I am proud to announce we will host Leadership educational sessions in 2020.

The session content is one I believe is on top of many PBA operator's list of hot topics, **Marijuana in the Workplace**. We have an expert lined up to be your presenter. This year, we are having the first session as a Leadership Breakfast & Learning, Monday, March 23rd 9-11:30AM at Wyndham York. This is the day before the PBA Annual Marketplace. I hope you will find this to be a convenient time for you as many members will be in town for the Marketplace and the Board of Director's meeting already. To register, please complete the below registration form. There are sponsorship opportunities as well.

There will be two other dates in eastern and western Pennsylvania, March 31st and April 6th. We will be securing a venue for each shortly. Please take this opportunity to join me on Monday, March 23, 2020, a day prior to the PBA Marketplace, at the Wyndham Garden Hotel.

Thank you for your continued support of PBA.

John Bailey, PBA Chair
Bailey Coach
