# BALTIMORE

Baltimore has a number of options if you're a motorcoach driver looking for a place to safely pick up and drop off your customers and park your vehicle. If you have any questions or need parking options for events or multiple vehicles, please contact Eric Masterton, Director of Tourism, at 410-659-7090 or [emasterton@baltimore.org](mailto:emasterton@baltimore.org).

### DROP OFF/PICK UP AREA #1: 401 LIGHT STREET (BALTIMORE VISITOR CENTER)

This is an off-street location designated for motorcoaches dropping off customers for boat tours, the HarborPlace Pavilions, Inner Harbor attractions and restaurants. Long term parking is not advised here, but as long as the driver is with the vehicle, waiting for short periods for customers is usually permissible. *Due to the pandemic and limitations on indoor attendance, the Baltimore Visitor Center is closed until further notice. Learn more about Baltimore Visitor Center operations [here](#).*

### SURFACE AND ON-STREET PARKING

Baltimore City also has dedicated surface and on-street parking for motorcoaches. While these are not located in the Inner Harbor, they are less expensive and are spread throughout the greater downtown area at Ravens Stadium, 500 Guilford Avenue (uptown) and 1400 Eastern Avenue (Harbor East). [Access these parking options here.](#)

### DROP OFF/PICK UP AREA #2: 501 EAST PRATT STREET (NATIONAL AQUARIUM)

This is an off-street location designated for the National Aquarium and the HarborPlace Pavilions and restaurants. Long term parking is not permitted here.
