JOIN US ON MAY 29

You are invited to an in-person Catchafire SWVA networking and training event on May 29, hosted at the Wellspring Foundation's office in Abingdon. Scan the QR code above and register for more information.

Catchafire SWVA

Catchafire SWVA is a free program connecting nonprofits in Southwest Virginia with skilled volunteers online.

HERE'S HOW IT WORKS

1. Sign up and create an online profile.
2. Come up with a project for a volunteer to help with and post it on your Catchafire profile. Volunteers can assist with 150+ project types, including marketing, web development, operations, and strategy.
3. Online volunteers who are interested will reach out to you and see if they are a good fit for your project.
4. Work together virtually to complete the project. You can have more than one project at the same time, and can post new projects anytime.

Anne Gene Worrell Foundation · The Rapha Foundation · Wellspring Foundation of Southwest Virginia · Cumberland Forest Community Fund · The Thompson Charitable Foundation · CNE
