THE VDSS, OFFICE OF NEW AMERICANS INVITES YOU TO

EDUCATIONAL WEBINAR SERIES

If you work with refugees or immigrants in Virginia, whether in a community organization, school, clinic, or human services program, these sessions are for you. Our office is offering educational webinars for Virginia partners to provide clear, accessible information about what is changing, what supports remain available, and practical tools to help you support communities during this time. We invite anyone working with refugees and immigrants to join.
