# FREE Counseling Services

# EnGage with EnCircle

EnCircle is now offering free counseling for immigrant children who do not have insurance in Central Virginia.

For children who are struggling with school, family issues or just need help adjusting to life in Virginia, our bilingual, trained therapist can offer in-person or virtual options to lend a hand.

To refer a child for services, email us at enGage@enCircleAll.org or call 804-288-0122.
