Facing Cancer? We're Here to Help

CancerLINC is a nonprofit that serves the Greater Richmond area, connecting cancer patients and their families with free legal, financial, and community resources to tackle the non-medical challenges that come with a diagnosis.

CancerLINC services are always free, and professional services are provided at no charge for patients that meet income guidelines

No one should have to face cancer alone.

With the support of 160+ volunteer professionals, we assist with:

- **Legal documents for end-of-life planning**
- **SSDI, SSI, Medicare and Medicaid issues/denials**
- **Debt management**
- **Financial planning and counseling**
- **Connections to community resources that assist with day to day expenses, mental health support, and more**
